TERMINAL DISCLAIMER

Dear Sir:

Sony Computer Entertainment, Inc. ("SONY") is the owner of the entire interest in the above identified application. The Assignment in a parent of this application was recorded on September 13, 2000, Reel No. 011085, Frame 0839.

SONY hereby disclaims, except as provided below, the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of United States Patents Nos. 6,171,191 and 6,641,479, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to such patent shall be the same as the legal title to United States Patents Nos. 6,171,191 and 6,641,479, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantor, its successors or assigns.

SONY does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory terms of United States Patents Nos. 6,171,191 and 6,641,479, in the event that United States Patents Nos. 6,171,191 and 6,641,479 have expired or later expire for failure to pay maintenance fees, are held unenforceable, are found invalid, are statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), have all claims cancelled by reexamination certificates, or are otherwise terminated in any manner prior to expiration of their statutory terms.

The terminal disclaimer fee under 37 C.F.R. § 1.20(d) is enclosed herewith. A duplicate copy of this paper is enclosed.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title

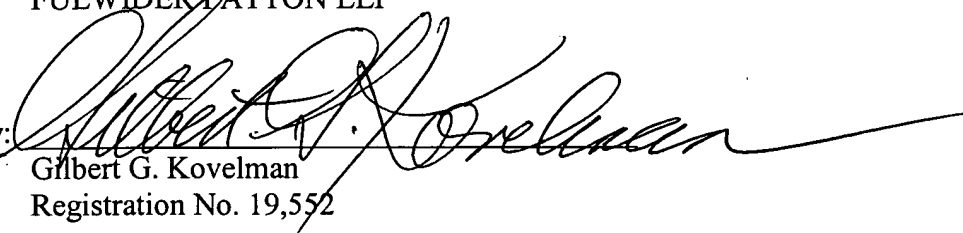

18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I am an attorney of record in this case.

Respectfully submitted,

FULWIDER PATTON LLP
